## pressure regulator MS6-LRB-1/2-D5-A4-AS Part number: 530320

For manifold assembly, maximum output pressure 4 bar, with adapter G1/8 for pressure gauge acc. to EN 837, port P2 on reverse side.

## **Data sheet**

| Feature                                 | Value  |
|---|--|
| Size                                    | 6  |
| Series                                  | MS   |
| Actuator lock                           | Rotary knob with lock  |
|   | with accessories, lockable                                       |
| Assembly position                       | Any  |
| Design structure                        | directly-controlled diaphragm regulator                          |
|   | with looped-through compressed air supply                        |
| Controller function                     | Output pressure constant   |
|   | with initial pressure compensation                               |
|   | with secondary exhaust   |
| Pressure gauge                          | Prepared for G1/4  |
| Operating pressure                      | 0.8 20 bar   |
| Pressure regulation range               | 0.3 4 bar  |
| Max. pressure hysteresis                | 0.25 bar   |
| Standard nominal flow rate              | 7,300 l/min  |
| Operating medium                        | Compressed air in accordance with ISO8573-1:2010 [7:4:4]         |
|   | Inert gases  |
| Note on operating and pilot medium      | Lubricated operation possible (subsequently required for further |
|   | operation)   |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress                                    |
| Storage temperature                     | -10 60 °C  |
| Food-safe                               | See Supplementary material information                           |
| Medium temperature                      | -10 60 °C  |
| Ambient temperature                     | -10 60 °C  |
| Product weight                          | 747 g  |
| Mounting type                           | Optional   |
|   | Front panel installation   |
|   | Line installation  |
|   | with accessories   |
| Pneumatic connection, port 1            | G1/2   |
| Pneumatic connection, port 2            | G1/2   |
| Materials note                          | Conforms to RoHS   |
| Material control panel                  | PA   |
