F6460680		6	680	600	300	55,5	F6460B600	F6497150

WODEX® PULLERS ADJUSTABLE IN HEIGHT 3 JAW

ITEM: WX5970

Top quality mechanical pullers. In traction it fixes automatically to the parts to be extracted, jaws with prolongations of the holes. Extremely tapered for eventually gripping of a screw.

This series of the pullers have a predisposition of use even for only 2 jaws. Execution chrome-zinc

Tech. Code		N.	B max mm	A mm	Max strength kN	Weight Kg	Spare arm	Spare screws
F6470110		1	110	105	10	0,7	F6410B105	F6497020
